PRESIDENT'S MESSAGE

Renewed and refreshed after a two month vacation from League, it is time once again to gear up for the upcoming Election. VOTER SERVICE intends on being as visible and productive as it was in the Spring. Close on the heels of the Election is our Annual FINANCE DRIVE. EDUCATION and TAXATION will keep us alert and informed during the winter months. Spring will renew HUMAN RESOURCES and RECREATION with an update. All of these programs and many others require full participation and attendance of our members to insure their effectiveness. Join us!

MEMBERSHIP TEAS

... COME ONE ... COME ALL, and bring a friend. Our membership drive is most effective if you bring a friend to the meeting, but I would also like the names of any prospects so I can support your effort. As in past years, we have a day tea (with babysitting) and an evening meeting, so please try to come to at least one. Both if possible.

PUBLICATION

State League's newest publication, EDUCATION: PUPIL EVALUATION IN WEST VIRGINIA (August, 1980) is a runaway best-seller. Covers the results of a survey conducted in 43 counties in West Virginia. Martha Woodward recently took a copy to the Junior League and took orders for 50 copies. Get yours! \$1.40 each.

PUBLICATIONS (cont'd.)

CHOOSING THE PRESIDENT 1980 continues to sell out as soon as shipments come in. We have had another delivery, so if you were unable to get your copy, please let me know. A great gift at \$1.95.

Bury it? Leave it? Stop it? Keep it? A NUCLEAR WASTE PRIMER tackles the answers and helps us all ask the right questions. It decodes the vocabulary and unravels the bureaucratic knots, lays out the costs and benefits of the alternatives. It tells you how you can have your say, as the nation makes some hard choices about nuclear waste. A must for every layman and public official. \$1.25 per copy.
